Fleet Groupings & Starts

The groupings for all starts and the start times for the first race on each day are:

Fleet	Portsmouth Number Range	Start Time	Warning Flag
Fleet 1	PN <= 963	10:30	Numeral 1
Fleet 2	PN >= 964 and PN <=1085	10:35	Numeral 2
Fleet 3	PN >= 1086	10:40	Numeral 3

The Summer Series has two races each day. The second race will be back to back as soon as possible after the finish of the first race.

The Autumn B races have the same fleet groupings and will be back to back as soon as possible after the finish of the Sunday A Race but not before 11:00.

On a day when both A & B races are scheduled and racing is postponed, if there is only one race on that day, then if the first race in the start sequence starts before 11am then all races in that start sequence shall count to the A series. If it starts at or after 11am all races in that start sequence, all races in that start sequence shall count to the B series.

Fleets may be started together. If so, all the relevant warning flags will be flown at the warning signal.

The normal start sequence with no grouping, will be as shown above. If Fleets are grouped, then a fleet start may be earlier than shown except that no start may be before 10:30

Warning Signal 5 Minutes before the start (RRS 26 signals at 5,4,1 start)
