

Amendment to the Sailing Instructions – 1

General Recall Procedure

In the event of a General Recall for a fleet on the **East Course**, the scheduled sequence of starts will continue. The warning signal for the recalled fleet will be made at the same time as the start of the last scheduled start. If the recalled fleet is the last scheduled start, then the warning signal for the recalled fleet will be made 1 minute after the first substitute is lowered. This changes RRS 29.2.
